

*a synagogue grows with
the lives of its members*

TREE OF LIFE FORM

We take great pride in the handsome metal sculpture that graces our Sanctuary. Our **TREE OF LIFE** is a powerful, visually arresting representation of prayer.

The commemorative bronze "leaves" provide an opportunity to give thanks for life's blessings, to dedicate wishes of love to honor family simchas and to offer congratulations for special occasions and life cycle events.

Each leaf brings new growth to our **TREE OF LIFE**, and becomes a part of a thing of beauty as well as a reflection of the spirituality of family life and Temple Family togetherness.

With a donation of \$180.00, a leaf will be custom engraved and mounted on the **TREE OF LIFE** for you.

I would like to have engraved on our Leaf:

Occasion: _____ Date: _____

Name of Honoree: _____

Message: _____

From: _____

Phone #: _____ Email: _____

(The maximum number of characters per leaf is **58 total**, engraved on 3 or 4 lines)
(Please order at least 30 days in advance of date needed.)

**Please attach payment of \$180 to this form.
Make checks payable to Temple Menorah**
